2. Rules and Rules and Regulations - Message Telecommunications Services (Cont'd)

2.2. Obligations of the Customer

2.2.A. All Customers assume general responsibilities in connection with the provision and use of the Company's Service. General responsibilities are described in this section. When facilities, equipment, and/or communication systems provided by others are connected to the Company's facilities, the Customer assumes the additional responsibilities as set forth in Section 2.2, herein.

2.2.B. The Customer is responsible for the payment of all charges for any and all Services or facilities provided by the Company to the Customer.

2.2.C. Subject to availability, the Customer may use specific codes to identify the users groups on its account and to allocate the cost of its service accordingly. The numerical composition of such codes shall be set forth by the Company to assure compatibility with the Company's accounting and automation systems and to avoid duplication of such specific codes.

2.2.D. The Company reserves the right to discontinue the use of any code provided to the Customer and to substitute another code for such Customer's use.

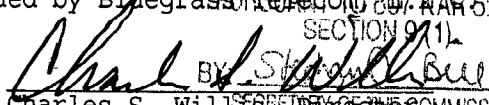

2.2.E. The Customer shall indemnify and save harmless the Company from and against all loss, liability, damage and expense, including reasonable counsel fees, due to claims for libel, slander, or infringement of copyright or trademark in connection with any material transmitted by the Customer using the Company's Services; and any other claim resulting from any act or omission of the Customer to the use of the Company's facilities.

The liability of the Company for damages resulting in whole or in part from or arising in connection with the furnishing of Service under this Tariff, including, but not limited to, mistakes, omissions, interruptions, delays, errors or other defects or misrepresentations shall not exceed an amount equal to the charges under this Tariff applicable to the specific call (or portion thereof) that was affected. No other liability shall attach to the Company.

2.3.C. The Company shall not be liable for any failure of performance hereunder due to causes beyond its control, including, but not limited to: (1) acts of God, fires, flood or other catastrophes; (2) any law, order, regulation, directive, action or request of the United States Government, or any other government, including state and local governments having jurisdiction over the Company, or of any department, agency, commission, bureau, corporation or other instrumentality of any one or more of said governments, or of any civil or military authority; or (3) national emergencies, insurrections, riots, wars or other labor difficulties.

2.3.D. The Company shall not be liable for any act or omission of any other entity furnishing facilities, equipment, or services used by a Customer, with the Company's Services. In addition, the Company shall not be liable for any damages or losses due to the failure or negligence of any Customer or due to the failure of Customer Provided Equipment, facilities or services.

2.5.A. Deposits

At this time, the Company does not require deposits. Should the Company require deposits in the future, the following terms would apply:

1. The Company may, in order to safeguard its interests, require a Customer to make a suitable deposit or provide a surety bond or letter of credit in the amount of the required deposit as a guarantee of the payment of charges. The Company shall have the right to require the Customer to make a deposit prior to or at any time after provision of any Service, not to exceed three (3) months estimated charges. The Company may increase the amount of the deposit to reflect increases to the Customer's annual bill. The Customer will receive a receipt for the deposit.
2. Any deposit as referred to in this Section shall be held by the Company to secure the payment of the Customer's bill. At the Company's option, the deposit may be refunded or credited to the Customer at any time prior to the termination of Service.
3. Interest will be paid by the Company on all sums held on deposit at the rate established annually by the Kentucky Public Service Commission for customer deposits. The interest will be accrued for the period during which the deposit is held by the Company.

1. In the event of an interruption of Service that exceeds the minimum requirements set forth in this paragraph, the Company shall make a credit allowance at the Customer's request for a pro rata adjustment of all Service charges billed by the Company for Services rendered inoperative by the interruption. The credit allowance will be computed by dividing the duration of the service interruption measured in twenty-four (24) hour days, from the time the interruption is reported to the Company, by a standard thirty (30) day month, and then multiplying the result by the Company's fixed monthly charges for each interrupted Service.

A period of time less than twenty-four (24) hours shall not be credited, but an additional period of twelve (12) hours or more shall be considered an additional day. In no case shall the credit exceed the total monthly charges. For the purpose of this Tariff, Special Services are deemed to be any Service requested by the Customer and provided by the Company for which there is no prescribed rate in this Tariff. Special Services charges will be developed on an individual case basis (ICB) and may be established by contract between the Company and the Customer. Such contract or ICB rates will be filed with the Commission for its approval if required by applicable rules and regulations.

2.7.B. When Applicable

Special Services rates apply in the following circumstances:

1. If at the request of the Customer, the Company obtains facilities not normally used by the Company to provide Service to its Customer;
2. If at the request of the Customer, the Company provides technical assistance not normally required to provide Service;
3. Where special signaling, conditioning, equipment, or other features are required to make Customer Provided Equipment compatible with the Company's Service;

2.8. Special Pricing Arrangements

Customized Service packages and competitive pricing arrangements at negotiated rates may be furnished on a case-by-case basis in response to requests by Customers for proposals or for competitive bids. Special Pricing Arrangements offered under this Tariff will be provided to the Customer pursuant to contract. Unless otherwise specified, the regulations for such arrangements are in addition to the applicable regulations and prices in other sections of the Tariff. Specialized rates or charges will be made available to similarly situated Customers on a non-discriminatory basis. Such contracts will be filed with the Commission for approval if required by applicable rule or regulation.

3.3 Timing of Calls

- 3.3.A. Unless otherwise indicated in this Tariff, calls are timed by the Company in six (6) second increments unless otherwise stipulated by the Company in this Tariff. "Ring-busy" and "ring-no-answer" calls will not knowingly be charged to the Customer and if charged in error, will be credited by the Company to the Customer. Timing begins at the "starting event" and ends at the "terminating event," unless otherwise specified. Time between the starting event and the terminating event is the call duration. The minimum call duration for a completed call is six (6) seconds, unless otherwise specified.
- 3.3.B. The starting event occurs when the Company's terminal experiences an "Incoming Signaling Protocol Successful," i.e., upon the seizure of an inbound trunk.
- 3.3.C. The terminating event occurs when the Company's terminal receives a signal from the Local Exchange Carrier that either the calling party or the called party has hung up.
- 3.3.D. There shall be no charge for unanswered calls. Upon receiving reasonable and adequate notice of billing from a Customer for any such call, the Company may issue a credit in an amount equal to the charge for the call. Calls which are in progress longer than one minute will be presumed to have been answered.

3. General Classification and Description of the Company's Service - Message Telecommunications Services (Cont'd)

3.3 Timing of Calls (Cont'd)

3.3.E. Domestic Message Telecommunications Service rates are quoted in terms of initial and additional periods. The initial period is the first stated timed increment or any fraction thereof after connection is made. The additional period is each stated timed increment or any fraction thereof after the initial period. Timing increments for billing are shown in rate schedules in Section 4 of this tariff.

3.3.F. The time of day at the calling party rate center determines what Time-of-Day rate period applies.

3.4. Computation of Distance

3.4.A. All calls are rated on the basis of airline mileage locations of the caller and the called party, regardless of the call's routing.

3.4.B. Airline mileage is obtained by using the "V" and "H" coordinates assigned to each point. To determine the airlines distance between any two cities, the airline mileage is determined as follows:

1. Obtain the "V" and "H" coordinates for each city.
2. Obtain the difference between the "V" coordinates of each of the cities. Obtain the difference between the "H" coordinates.
3. Square each difference obtained in step 2, above.

3. General Classification and Description of the Company's Service - Message Telecommunications Services (Cont'd)

3.4. Computation of Distance (Cont'd)

4. Add the square of the "V" difference and the "H" difference obtained in step 3, above.
5. Divide the number obtained in step 4 by 10. Round to the next higher whole number if any fraction is obtained.
6. Obtain the square root of the whole number obtained in step 5 above. Round to the next higher whole number if any fraction is obtained. This is the airline mileage.

3.5. Method of Applying Rates

- 3.5.A. Calls that begin in one rate period and terminate in another will be billed for the entire call duration at the rate applicable at the commencement of the call.
- 3.5.B. Unless specified otherwise in this Tariff, the duration of each call for billing purposes will be rounded off to the nearest higher billing increment.

3.6. Promotional Discounts

The Company may from time to time offer promotional discounts. Such discounts will be for a specified period of time, will not exceed published rates, and will be offered to all qualifying Customers on a non-discriminatory basis, under any rules prescribed by the Commission.

3. General Classification and Description of the Company's Service - Message Telecommunications Services (Cont'd)

3.7. Dialed Domestic Message Telecommunications Services

- 3.7.A. Dialed Domestic Message Telecommunications Services are measured use, full time services and are offered on a monthly basis, utilizing international communications facilities. When appropriate access arrangements exist, these switched services are available on a presubscription (equal access) basis. Otherwise, the Services require that a Customer access the Company's network via an alternative access code arrangement such as "950-XXXX" plus the Customer's security code, a toll-free telephone number with the Customer's security code, or via "1-0-1XXXX" code with Customer security code.
- 3.7.B. Depending upon the service option chosen by the Customer, the charges for the use of such domestic interstate communications facilities may be based upon the time of day, the total minutes of use and/or the distance of each call.
- 3.7.C. All Customers shall be charged the rates identified in Section 4 of this tariff.
